11:00-11:15	17:00-17:15	Preventive Strategy for Schistosomiasis Elimination in Egypt	Dr. Afaf Ibrahim	General Director of Schistosomiasis Control Dep., Egypt MoH
11:15-11:30	17:15-17:30	Surveillance and Risk Assessment in the Areas Where Schistosomiasis Transmission Has Been Interrupted	Prof. Jing Xu	Prof. Chief of Schistosomiasis Control Dep., NIPD
11:30-11:45	17:30-17:45	TBRI Updates in Immunodiagnosis of Active Schistosomiasis from Lab to Point of Care	Prof. Zeinab Demerdash	Prof. of Immunology, Head of Monoclonal Abs production Unit, TBRI
11:45-12:00	17:45-18:00	Development of DNA-Based Diagnostics for Schistosomiasis in China	Ass. Prof. Wangping Deng	Ass. Prof of Immunology, Schistosomiasis Control Dep., NIPD
12:00-12:10	18:00-18:10	BREAK		
12:10-13:25	18:10-19:25	Second Session’s Chairpersons: Prof. Sanaa Botros (TBRI) & Prof. Shizhu Li (NIPD)		
12:10-12:25	18:10-18:25	An Overview of TBRI Capabilities and Achievements in the Field of Schistosomiasis Treatment	Prof. Sayed Seif El-Din	Prof. of Pharmacology, TBRI
12:25-12:40	18:25-18:40	Quality Control for Sentinel Surveillance Network of Schistosomiasis in China	Prof. Zhiqiang Qin	Prof. of Immunology, Schistosomiasis Control Dep., NIPD
12:40-12:55	18:40-18:55	Recent Trends in Diagnosis of Human Schistosomiasis	Prof. Ibrahim Rabie	Prof. of Parasitology, Head of Parasitology Dep., TBRI
12:55-13:10	18:55-19:10	Control of Schistosomiasis Intermediate Host Snails: TBRI Experience	Dr. Ahmed Hussein	Lecturer of Malacology, TBRI
13:10-13:25	19:10-19:25	Distribution of Oncomelania snails in China: results from a national survey in 2018-2020	Prof. Shan Lv	Prof. of Epidemiology, Chief of Global Health Center, NIPD
13:25-14:00	19:25-20:00	Panel Discussion		

Moderators: Prof. Xiao-nong Zhou (NIPD) Prof. Hanan El Baz (TBRI)

Points of Discussion:

1. Where to apply the surveillance tools in the schistosomiasis elimination program?
2. What are the research priorities on diagnosis and pathogen detection of schistosomiasis?
3. What are the salient achievements with respect to specific chemotherapy in schistosomiasis?

Discussant 1: Prof. Shan LV (NIPD)
Discussant 2: Prof. Zeinab Demerdash (TBRI)
Discussant 3: Prof. Sanaa Botros (TBRI)

Panelists from Egypt: Prof Mohamed El Emam, Prof. Hanan El Sayed, Dr. Afaf Ibrahim, Prof. Sayed Seif El-Din, Prof. Ibrahim Rabie, Dr. Ahmed Hussein

Panelists from China: Prof. Shizhu Li, Prof. Shan Lv, Prof. Jing Xu, Prof. Zhiqiang Qin, Ass. Prof. Wangping Deng
